

**NKU, OFFICE OF RESEARCH, GRANTS, AND CONTRACTS
PROPOSALS SUBMITTED
FISCAL YEAR 2005 (MARCH 2005)**

Department	Principal Investigator	Project Title	Funding Agency	Submission Date	Project Duration	Amount Requested
Associate Provost for Economic Initiatives	Robert Farrell	Institute for New Economy Technologies	U.S. Department of Education FY 2005 Congressionally-Directed Grant	03/17/2005	5/1/05 - 4/30/06	\$496,000

This project will organize and initiate an integrated set of activities under the University's Partnership for Regional Economic Progress (PREP) program. PREP will be directed at regional economic needs as identified in the formal Angelou Economics report.

Elementary, Middle, and Secondary Programs	Lynne Smith	The Kentucky Reading Project/ Collaborative Center for Literacy Development	Kentucky Department of Education	03/04/2005	4/1/05 - 5/31/06	\$66,000
--	-------------	--	----------------------------------	------------	------------------	----------

This grant will fund the Collaborative Center for Literacy Development, consisting of a summer workshop and follow-up sessions during the year.

Political Science	Roxanne Qualls	Institute for Public Leadership and Public Affairs	U.S. Department of Education FY 2005 Congressionally-Directed Grant	03/17/2005	5/1/05 - 6/30/06	\$297,600
-------------------	----------------	--	---	------------	------------------	-----------

This project will develop the capacity of Northern Kentucky University through the Institute for Public Leadership and Public Affairs to provide research, policy analysis and leadership development training that improves public sector decision-making in northern Kentucky and the region.

Technology	Candace Sellers	Perkins Title I FY 2006	U.S. Dept of Education KY Education Cabinet, Office of Career & Tech Ed	03/23/2005	7/1/05 - 6/30/06	\$134,295
------------	-----------------	-------------------------	--	------------	------------------	-----------

This grant provides support in terms of equipment, professional development, instructional materials and limited salary. It is for the purpose of enhancing and expanding associate and certificate programs only.

Department	Principal Investigator	Project Title	Funding Agency	Submission Date	Project Duration	Amount Requested
Technology	Candace Sellers	Non-Traditional Preparation	U.S. Dept of Education KY Education Cabinet, Office of Career & Tech Ed	03/10/2005	7/1/05 - 6/30/06	\$80,000

The funds from this grant provide career information in the area of non-traditional, high wage and high demand occupations. It is a statewide program providing training, professional development and information to schools, adult centers and secondary and post-secondary institutions.

Technology	Candace Sellers	Perkins Local Funding - Supplemental FY 2004 Funds	U.S. Dept of Education KY Education Cabinet, Office of Career & Tech Ed	03/03/2005	3/1/04 - 2/28/05	\$4,200
------------	-----------------	---	--	------------	---------------------	---------

This grant is intended to enhance the technical education programs for students enrolled in associate and certificate degree programs and to provide support and skills to promote employability.

Technology	Christine Stiegler	Professional Development for NKU's Career & Technical Teacher Educators	U.S. Dept of Education KY Education Cabinet, Office of Career & Tech Ed	03/09/2005	7/1/05 - 6/30/06	\$7,000
------------	--------------------	---	--	------------	---------------------	---------

This project provides funding for professional development activities for career and technical teacher educators in NKU's Department of Technology. This professional development work is to be done on the state, regional and national levels.

Technology	Ed Workman	Professional Development Technical Assistance for Technical Education Teachers/Field-Based	U.S. Dept of Education KY Education Cabinet, Office of Career & Tech Ed	03/09/2005	7/1/05 - 6/30/06	\$22,418
------------	------------	--	--	------------	---------------------	----------

This project will promote Career and Technical education regionally, statewide and nationally. Planned activities will enhance public awareness of technical education opportunities and the perceived value thereof, for programs and curricula of Kentucky technical education programs. Emphasis will be towards helping new and present in-service career and technical teachers.
